

# ON-SITE TRAINING

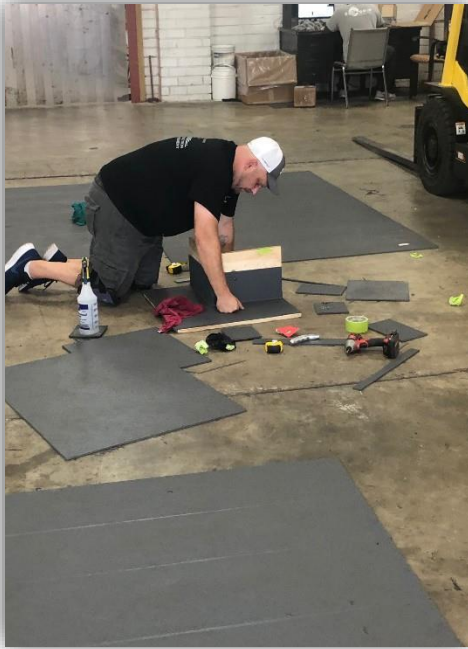

National Field Training Manager (**FTM**) is available for on-site hands-on training, get your Installers trained by an Eco-Grip flooring installation expert.

## Program Outline and Distributor & Installer Responsibilities

- 3 consecutive days of hands-on training from **FTM**, more days available upon request
- Minimum of 2 installers per crew
- Maximum of 10 installers; larger groups may require more than 3 days
- Warehouse space with a minimum of 2,000 sqft of open working space, training will not take place on a construction site or end user project
- Platform workstations and individual work models required - Layout drawings and material list provided by Allied
  - Platform design and size will be provided at the time of registration and platform models must be completed prior to training dates
- Distributor is responsible for supplying all flooring materials for training sessions, per list provided by Allied

# ON-SITE TRAINING

**Goal** is that the 3-day training process will qualify all participants for Approved Installer status, permitting the purchase of Eco-Grip flooring for new construction projects. Attendance does not guarantee Approved status. Installers will be equipped with the knowledge and confidence to install Eco-Grip flooring in new construction and shut-down remodel environments.

**This training does not qualify Installers for retrofit installation projects.**

## Installer Pre-Requisites

- Commercial sheet vinyl installation experience required
- Installer must have required tools to participate in training (the list of tools will be provided by Allied)

# ON-SITE TRAINING

## Cost & Expenses

- Daily rate \$275 / day
- Flight & Hotel for **FTM**
- Transportation to & from Airport – Hotel – Training location
- Food per diem (\$50/day)
